FOR IMMEDIATE RELEASE

TRUCKEE CHILI COOKOFF ENTERTAINMENT LINEUP

TRUCKEE, CALIFORNIA – June 15, 2010 – Returning for the second year, Pleasant Heads, the popular country-modern band from Reno, will headline entertainment at the Truckee Chili Cookoff.

The group entertains with its unique style ranging from classic rock, country, blues, alternative, and pop oldies to their own unique songs. They play a diverse song list that covers the span of time that reflects the different tastes and bands that they have been in over the years. The quintet is composed of Carson Randolph, Mary Randolph, Jeff Shatka, Mike Warner and Todd Antony.

The Mountainaires Barbershop Quartet, the men's barbershop group, specializing in harmony, comedy and generally great entertainment, will open the show. They are Tom Renne, Mike Holley, Chris Nelson and Steve Thompson.

There will also be a special appearance by The Railroad Regulators.

No festival would be complete without a full range of activities for the kids, from face painting by Princess Fizzig to free arts and crafts and the Bouncy House, everyone will enjoy a day of family fun.

Tickets for unlimited chili tasting are \$ 10 for adults and free for children under 12 and are available from the Truckee Donner Chamber in the old Depot, any Sunrise Rotarian and on the event Web site, www.TruckeeChiliCookoff.org.

Tickets will also be available at the event.

Generous area merchants will also be selling tickets. Look for the Truckee Chili Cookoff poster in their windows.

This community fundraiser will provide a day of family fun with chili tasting, non-stop entertainment, food and beverages and a host of activities for adults and children alike.

The area's best chili cooks will compete for top honors in these categories: Restaurants, Non-profits and Individuals plus Best Overall. In addition, a People's Choice award will recognize the chili garnering the most votes from attendees and there will be an award for best cooking team theme.

A panel of area dignitaries will judge the chili and make the awards.
